

The Friends Organisation

The Friends organisation was set up to help fund the building of our completely new G5 locomotive through membership, sponsorship, and money raising events.

The members are made up of shareholders and non shareholders and so far we have raised many thousands of pounds towards the construction of the locomotive.

Membership may be on an Annual or Life basis and members will receive a regular news letter detailing the locomotives progress together with priority information about open days and events.

Once construction is completed members will receive a free ride on one of the first trains pulled by the locomotive.

If you would like to join as a friend please complete the form opposite.

A general view of the workshop in Shildon

SUPERFRIENDS

By paying a minimum of £10 per month to the Friends you will build up an amount which will, at a later date, be transferred to the G5 Company. At that point a share certificate will be issued to the SuperFriend. The minimum amount to qualify for shares is £100.00.

If you are a UK taxpayer then you may be able to receive a tax repayment of 30% of your payments under the Governments Enterprise Investment Scheme. Subject to HMRC rules.

A SuperFriend could receive
A free ride on the first train pulled by
the G5

A free Cab ride in the finished locomotive
Become a shareholder in the locomotive

The Superfriends scheme has become a major fund raiser for the locomotive and allows us to plan future construction with knowledge of predicted assured future income.

If you would like to become a SUPERFRIEND please complete the application form opposite together with the GDPR section over the page.
