

The G5 Company & Friends

The Class G5 Locomotive Co. Ltd was founded in 2007 by a group of railway enthusiasts to build a new full size N.E.R. Class 0 (LNER Class G5) 0-4-4 Passenger Tank Locomotive for use on preserved Heritage railways.

The Friends organisation was formed in 2010 to help fund the building of this locomotive through membership, sponsorship, and other money raising events and activities.

Our members are made up of both shareholders and non shareholders and we have so far raised over £200,000 towards the construction of the locomotive.

Membership may be either Annual or Life and Members will receive regular news letters with details of the locomotives progress together with priority information about open days and events.

The pictures below show our Unit at Shildon. We are on target to begin the assembly of all the existing parts to create a rolling chassis this year.

G5 Superfriends

By paying as little as £10 per month to the Friends members will build up a credit which will, at a later date, be transferred to the G5 Company. At that point, a share certificate will be issued to the Superfriend in accordance with Company policy. The minimum amount to qualify for shares is £100.00.

If you are a UK taxpayer then you may be able to receive a tax repayment of 30% of your payments under the Governments Enterprise Investment Scheme; subject to HMRC rules which may change.

A Superfriend could receive
A free ride on the first train pulled by the G5
A free Cab ride in the finished locomotive
Become a shareholder in the locomotive

The Superfriends scheme has become a major fund raiser for the locomotive and allows us to plan future construction with knowledge of predicted assured future income.

If you would like to support us by becoming a Friend, or Superfriend please complete the form opposite.

Component Sponsorship

If you would like to sponsor a component here are some of the ones which are next in line for manufacture. Parts currently available are :-

| Component | Cost | No. Reqd. |
|--------------------|------|-----------|
| Fire Bar (Grate) | £70 | 60 |
| Corks for oil pots | £40 | / set |
| Washout Plugs | £65 | 18 |
| Gen. Fitted Bolts | £60 | 120 |
| 1 Litre of paint | £50 | lots |
| Gauge Glass Valves | £350 | 2 |
| Gauge Glass Valves | £500 | 2 |
| Lubricator Wicks | £50 | / set |

To sponsor one of these components, or any other component of your choice not on this list, please complete the form opposite and return it to Mr B. Cox with your suggestion.

Everyone who sponsors a part will have their name added to the G5 Roll Of Honour.

In addition sponsorship of over £80 will automatically qualify for life membership of the Friends of the G5.

Share Ownership

If you would like to become a direct shareholder in the Class G5 Locomotive Company shares are available to those persons who contributes £100 or over.
