The Friends of the G5 Locomotive

Join us and help to support
the G5 Co. Ltd to build
this lost legend of the
N.E. railways

G5 PROJECT

www.g5loco.co.uk

The Friends Organisation

The Friends of the G5 was set up to help fund the building of our completely new G5 locomotive through membership, sponsorship, and money raising events.

The members are made up of shareholders and non shareholders and so far we have raised many thousands of pounds towards the construction of the locomotive.

Membership may be on an Annual or Life basis and members will receive a bi-annual news letter detailing the locomotives progress together with priority information about open days and events.

Once construction is completed members will receive a free ride on one of the first trains pulled by the locomotive.

If you would like to join as a friend please complete the form opposite.

SUPER FRIENDS

Becoming a Super Friend is a new way of contributing towards the construction of the locomotive.

By paying a minimum of £10 per month to the Friends you will build up an amount which will at a later date be transferred to the G5 Company. At that point shares will be issued to the Super Friend. The minimum amount to qualify for shares is £100.00.

If you are a UK taxpayer and have accumulated at least £500 then you may be able to receive a tax repayment of 30% of your payments under the governments E.I.S. scheme. Subject to HMRC rules.

SO a Super Friend could receive

A free ride on the first train pulled by the G5

A free Cab ride in the finished locomotive

And become a shareholder in the locomotive

If you would like to become a SUPER FRIEND and become involved in the construction of: and a part owner of, this brand new living legend please complete the application form opposite.

The Pictures opposite show the bogie, the coal bunker and rear of the cab, the mainframes with one of the driving wheels and the completed boiler.
